SEBASTIAN COPELAND CAPTURES FELLOW EXPLORER KEITH HEGER EN ROUTE TO THE NORTH POLE.

FILM

Into the Cold: A Journey of the Soul

This powerful film follows environmental advocate and adventurer Sebastian Copeland and partner Keith Heger as they venture more than 400 miles on foot through sub-zero temperatures on a harrowing journey to reach the North Pole. Few have successfully made this voyage—one of the toughest feats known to man. A moving story of endurance, courage, and commitment, *Into the Cold* transports us into the mind of an explorer facing insurmountable odds in a rapidly vanishing environment. Available on Earth Day.
